When you have tried Brednut you will understand the hearty reception given it by really "smart" families.

## A "first-family" Food!

It meets one of your family's first problems

WITH characteristic American initiative housekeepers have adopted the idea of a bread spread of perfect purity and welcome economy. They have found that Brednut meets one puzzling problem of housekeeping expense.

Already many of your best families are using Brednut three times a day.

If it happens that you have not yet tried Brednut you naturally will want to know of its delightful qualities.

Made from pasteurized milk and rich tropical nuts

Speak to some of your neighbors about Brednut. See if their husbands and children don't enjoy the delightful Brednut flavor. See if they themselves don't enjoy Brednut economy.

Women occasionally ask, "Why is Brednut white?" This question, we believe, will answer itself when you see the perfectly white purity of Brednut. You want to see just what you are eating, don't you?

Of course, your grocer will give you a wholesome vegetable material with which you can quickly color your Brednut to a golden yellow.

## BREDNUT

The delicious new spread for bread

(Made from pasteurized milk and rich tropical nuts)

Test Brednut in this delightful Sardine Sandwich.

Mix 12 boned and skinned sardines with one tablespoonful of pimientos. Add one tablespoonful of lemon juice. Spread mixture between slices of bread spread with Brednut. Notice the delicious flavor of Brednut. Notice its fine, easy spreading texture.
